Using the right products to pack a wound, apply pressure to a wound, absorb bleeding, and control blood loss can mean the difference between life and death. H&H Medical Corporation has the leading products in managing blood loss and wounds with our proven line of bandages and gauzes ready to use to pack and wrap wounds.

### Mini Compression

Provides a fast, effective tool for many kinds of traumas and injuries (particularly arterial bleeding in extremities).

Part number: HHMCB01

Package Dimensions:  
3.5"x 6.5"x 0.75"

Package Weight: 2 oz.

Shelf Life: 5 years

### H-Bandage

Gives medics and field personnel an emergency dressing and hemostat for arterial bleeding in limbs.

*Available rolled or flat.*

Part number: HBFF01

Package Dimensions:  
4" x 10.5" x 1"

Package Weight: 4 oz.

Shelf Life: 5 years

### Thin H

Combines a 4" x 7.5" thick ABD pad with a strong elastic strap and the patented H-cleat compression device.

*Available rolled or flat.*

Part number: HBTF

Package Dimensions:  
4" x 9"x 0.5"

Package Weight: 3 oz.

Shelf Life: 5 years

### Big Cinch

Easily secures to the abdomen, leg, or other large area with over 5 feet of 4" strengthened elastic wrap sewn onto the large ABD Pad.

Part number: BC01

Package Dimensions:  
6.5"x 9.5"x 1"

Package Weight: 5 oz.

Shelf Life: 5 years

### Emergency Compression Dressing (ECD)

Provides quick response and secure compression around large wounds. Easy to apply and hold in place with the center red hook patch. Sterile and not made with natural rubber latex.

Part number: HHECD

Package Dimensions:  
5.5"x 11"x 0.5"

Package Weight: 3.5 oz.

Shelf Life: 5 years

### Compressed Gauze

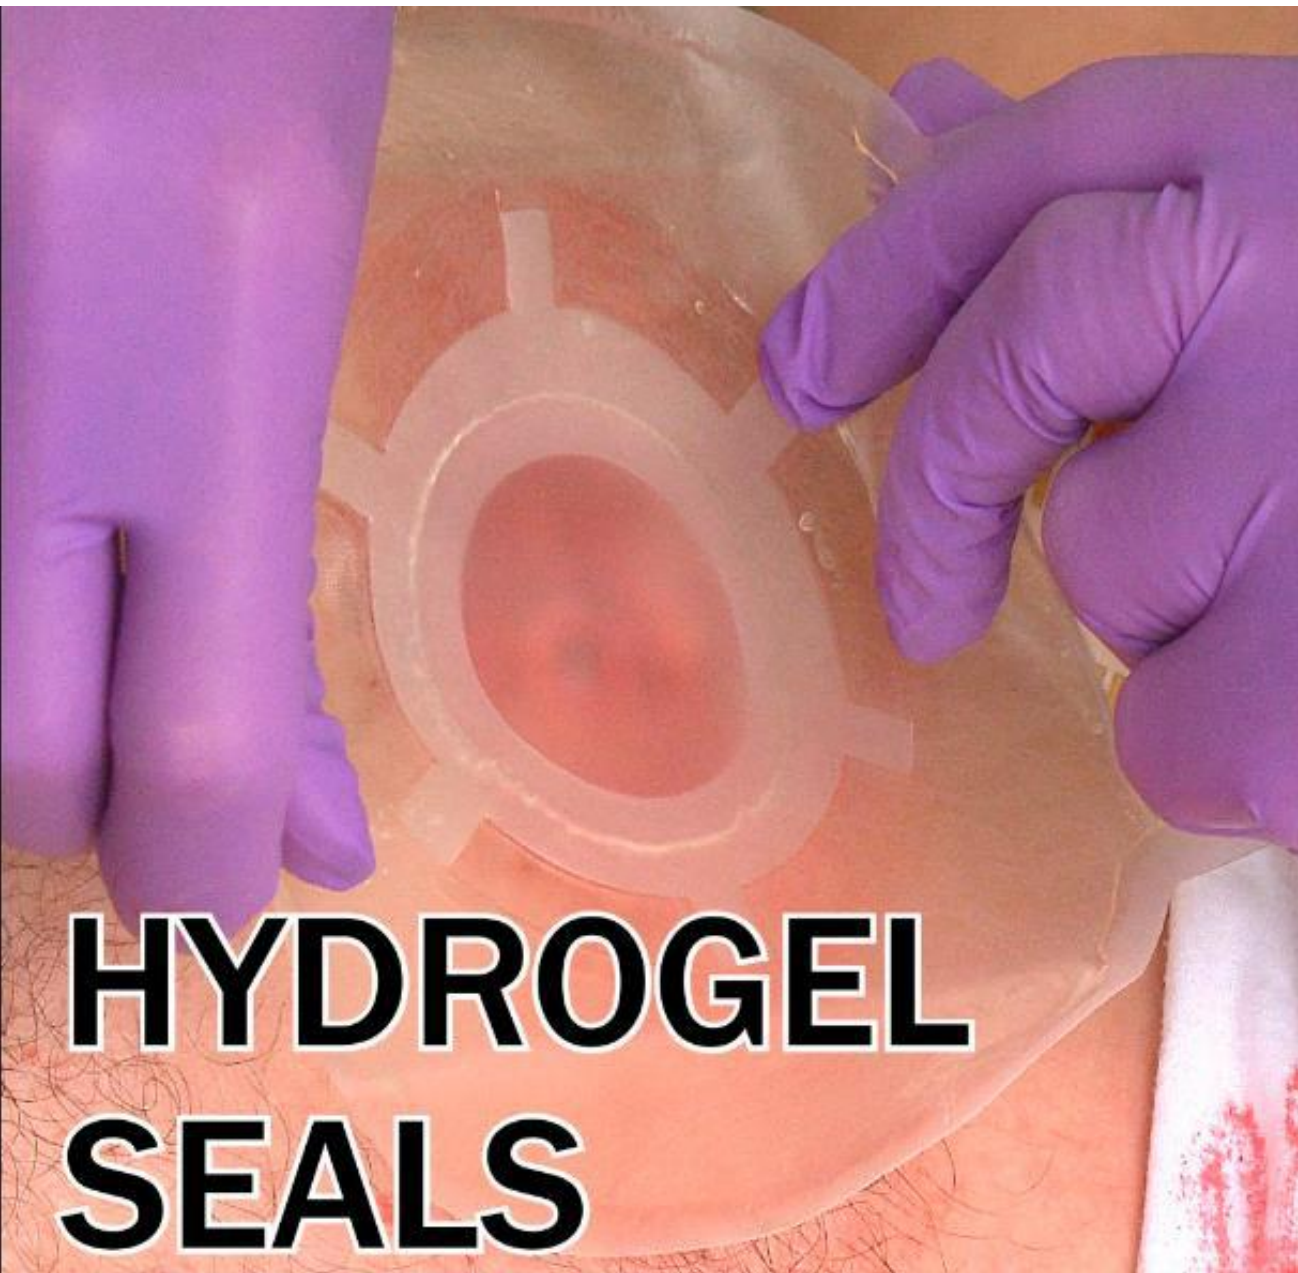

Takes care of moderate to severe wounds. The perfect companion to our compression bandages to stop severe blood loss and save lives.

Part number: HHPG

Package Dimensions:  
3"x 2" x 1"

Package Weight: 2 oz.

Shelf Life: 7 years

One of the leading causes of death from traumatic injury is the sucking chest wound, or tension pneumothorax. When an injury to the chest occurs, air can fill into the chest cavity causing the lungs to deflate or pressure to be applied to the heart. H&H Medical Corporation carries the leading products for respiration management and the prevention and treatment of tension pneumothorax used today.

### **Bolin Chest Seal**

Patented failure-proof triple-valve design eliminates any unwanted gas or liquid exchange at the trauma site.

Part number: BCS01

Package Dimensions:  
7.5" x 8" x .25"

Package Weight: 2.1 oz.

Shelf Life: 5 years

### **H\*VENT**

Designed to relieve pressure from chest wound due to air in the chest (pneumothorax) or bodily fluid (hemothorax).

Part number: HVS01

Package Dimensions:  
7.75" x 4.5" x 0.25"

Package Weight: 1.4 oz.

Shelf Life: 5 years

### **DualSeal**

A compact package of two occlusive seals that provides wound coverage without carrying a larger pouch.

Part number: HHDSK01

Package Dimensions:  
7" x 5.75" x 0.15"

Package Weight: 1.7 oz.

Shelf Life: 5 years

### **Wound Seal Kit**

A compact, vacuum sealed and sterile TCC-compliant occlusive dressing with hydrogel adhesive to stick to wounds in various conditions.

Part number: HHWSK02

Package Dimensions:  
8.25" x 6.25" x 0.25"

Package Weight: 2.4 oz.

Shelf Life: 5 years

### **Wound Seal Duo**

Provides fast application for sealing wounds quickly to stop external bleeding with two Wound Seals in a thin, flat package for easy storage.

Part number: HHWSD

Package Dimensions:  
6.25" x 10" x 0.25"

Package Weight: 5 oz.

Shelf Life: 5 years

### **Compact Wound Seal**

Quarter-folded and vacuum sealed to fit in a space as thin as half an inch, with rounded edges to reduce friction from clothing.

Part number: HHCWS01

Package Dimensions:  
3.25" x 10" x 0.25"

Package Weight: 2.3 oz.

Shelf Life: 5 years

# NEEDLES & TOURNIQUETS

H&H Medical is committed to helping civilians learn how to stop severe hemorrhaging and to save lives. Our lightweight, easy to use tourniquets can be applied one-handed and fit various limb sizes, making them perfect for civilians and first responders alike.

When the wound is in the chest area and beyond civilian care, our pneumothorax needles provide medical professionals a way to quickly manage the symptoms of tension pneumothorax.

# PNEUMO NEEDLES

## Enhanced Pneumothorax Needle

Designed with a hollow, closed-ended stylet, the EPN's spring loaded safety tip houses a 14 gauge interior diameter catheter that is 8.6 cm long. The needle housing features a color indicator for the safety tip.

Part number: HHEPN01

Package Weight: 0.5 oz.

Shelf Life: 7 years

## Tension Pneumothorax Access Kit

A 14 gauge needle and catheter for use in the management of casualties who present with the signs and symptoms of a tension pneumothorax.

Needle and catheter are protected from bending or damage and harsh environmental conditions.

Part number: TPAK

Package Weight: 2 oz.

Shelf Life: 5 years

# TOURNIQUETS

## SWAT-T (Orange)

Allows a more rapid means to control extremity bleeding and allows application higher into the groin and axilla than other tourniquets. Effectively apply it in seconds with little to no prior training.

Part number: SWAT-T-ORG

Package Dimensions:  
4.5" x 3" x 0.6"

Package Weight: 10 oz.

Shelf Life: 5 years

## SWAT-T (Black)

Same ease of application and hemorage control as the Orange SWAT-T, but this SWAT-T color provides a more discrete appearance and application in tactical environments.

Part number: SWAT-T-BLK

Package Dimensions:  
4.5" x 3" x 0.6"

Package Weight: 10 oz.

Shelf Life: 5 years

At H&H Medical Corporation, we do what we can to ensure that you and your loved ones are taken care of until help arrives. With this in mind, we manufacture the following kits to help you be prepared for emergency situations. These kits are easy to carry and easy to use, making them perfect for someone who wants to carry a little more than just a tourniquet.

# GRAB-N-GO KITS

## Bleeding Control

Everything needed to keep someone alive until help arrives. Packed thin with every product visible. Each kit contains:

- (1) SWAT-T compression wrap tourniquet
- (1) H&H Thin-H compression bandage
- (1) H&H Compressed Gauze
- (1) H&H Emergency Hypothermia Blanket
- (1) Klever Kutter safety cutter
- (1) Pair of nitrile gloves

Part number: HHGGBC

## Slim

1" thick pouch with all the products needed to control severe bleeding and protect wounds. Each kit contains:

- (1) QuikClot Bleeding Control Gauze
- (1) H&H Mini Compression Bandage
- (1) H&H Compressed Gauze
- (1) Pack of DualSeal™ Chest Seals

Part number: HHGGS

## Mini

Designed to be no bigger than a wallet or notebook, this kit has just the basics to handle a serious injury. Each kit contains:

- (1) H&H Mini Compression Bandage
- (1) Pack of DualSeal™ Chest Seals
- (1) Pair of nitrile gloves

Part number: HHGGM

# BLEED KITS

## Basic

Compact and durable individual hemorrhage control. Each kit contains:

- (1) SWAT-T tourniquet
- (1) H&H Mini Compression Bandage
- (1) H&H PriMed Compressed Gauze
- (1) Pack of nitrile gloves

Part number: BCBK

## Intermediate

The same compact and durable individual hemorrhage control with the advantage of QuikClot. Each kit contains:

- (1) SWAT-T tourniquet
- (1) H&H Mini Compression Bandage
- (1) QuikClot Bleeding Control Gauze
- (1) Pack of nitrile gloves

Part number: BC1K

## Advanced

Designed for moderate hemorage with our best bleeding control products. Each kit contains:

- (1) SWAT-T tourniquet
- (1) H&H Mini Compression Bandage
- (1) QuikClot Bleeding Control Gauze
- (1) Pack of DualSeal™ Chest Seals
- (1) Pack of nitrile gloves

Part number: BCAA

# MASS CASUALTY

## “Grab & Throw” Basic Six Pack

Small and compact with an easy to carry handle, this kit contains six individually packaged H&H Bleeding Control Basic Kits.

Each kit contains:

- (1) SWAT-T Tourniquet
- (1) H&H Mini Compression Bandage
- (1) H&H Compressed Gauze
- (1) Pair of nitrile gloves

Packaged in:

- (6) Resealable bags
- Part number:  
MC6P-BASIC-BAG
- OR
- (6) Reusable nylon pouches
- Part number:  
MC6P-BASIC-PCK

# MASS CASUALTY

## “Grab & Throw” Intermediate Six Pack

An upgrade from the Basic, this kit contains six individually packaged H&H Bleeding Control Intermediate Kits for more advanced bleeding control.

Each kit contains:

- (1) SWAT-T Tourniquet
- (1) H&H Mini Compression Bandage
- (1) Quick Clot Bleeding Control Gauze
- (1) H&H Compressed Gauze
- (1) Pair of nitrile gloves

Packaged in:

- (6) Resealable bags
- Part number:  
MC6P-INTR-BAG
- OR
- (6) Reusable nylon pouches
- Part number:  
MC6P-INTR-PCK

# TRAUMA KITS

## Bolin PCIK

The Penetrating Chest Injury Kit provides proven emergency care for general, sucking, and exit chest wounds. Each kit contains:

- (1) H&H Bolin Chest Seal
  - (1) H&H Wound Seal Kit
- Part number: HHPCIK

## H\*VENT PIK

The H\*VENT Penetrating Injury Kit combines our newest chest seal with our most popular occlusive chest dressing for general, sucking, and exit chest wounds.

Each kit contains:

- (1) H&H H\*VENT Laminar Vented Chest Seal
- (1) H&H Wound Seal Kit

Part number: HVPIK

*Authorization may be Required*

## Cricothyrotomy

All of the tools needed for a surgical cricothyrotomy.

Each sterile kit contains:

- (1) Sterile Scalpel #10 blade
- (1) Endotracheal tube, 6.0 mm cuffed
- (1) 35 cm Bougie
- (1) 10cc Syringe
- (1) Pair of Curved Kelly forceps
- (1) News Tracheal Hook
- (1) Buff Twill Cotton Tape

Part number: HHTCK01

# KIT COMPONENTS

## Combat Eye Shield

Designed to meet the CoTCCC guidelines for the treatment of penetrating eye trauma while providing a small, sterile package to fit in any trauma kit.

Part number: HHCES01  
Package Dimensions: 3.25" x 8" x 0.5"  
Package Weight: 1.7 oz.

## Combat Medic Reinforcement Tape

Made from high quality adhesives and reinforced backing, the H&H Combat Medic Reinforcement Tape is small enough to fit in any kit but gives 100 inches of 2" tape for all kinds of uses.

Part number: CMRT01  
Package Dimensions: 4" x 6" x 3"  
Package Weight: 1.25 oz.

## Casualty Care Cards

Made of high quality paper and designed to be small enough to fit in any trauma kit, the H&H Combat Care Documentation Card is a use-once, throw away tool to communicate to everyone quickly and efficiently.

Part number: HHTC3V1  
Package Dimensions: 4.25" x 6.5"
